## **DIZZY DEAN SOFTBALL PRAYER**

*Oh Lord, it is with joy we begin this year of Dizzy Dean Softball. We always want your blessings and pray for you to give us a desire to make a happy season of games. Help us to be more thankful to You by strengthening our minds, morals and bodies.*

*Oh God, we thank You for the many blessings You have given us. We pray that the Holy Spirit will lead in the guiding and training of young people in the enjoyable game of softball. Help us to always remember that growing a strong moral character is very important. Oh God, we ask You to be with our young people that they may always keep their bodies in good physical shape, to always be mentally active, to always play the game fair and square to the very best of their ability. Help them to always be good sportsmen so that they may develop mentally, physically and spiritually even as did our dear Lord whose holy name we pray.  
Amen.*

*Glen Fuller  
Past National Director, GA  
(Deceased National Board Member)*

## **CHILD ABUSE / MOLESTATION STATEMENT**

1. Dizzy Dean Baseball, Inc. abhors all forms of child abuse including verbal abuse, physical abuse, emotional abuse, and sexual abuse and is committed to addressing these concerns by providing risk management guidelines that will lessen, but not totally eliminate the chance of an occurrence. Failure of leagues to implement these risk management precautions may expose such leagues and their officials, volunteers, and other representatives to significant legal liability.
2. Dizzy Dean Baseball, Inc. has no operational control over league security including the selection of volunteers associated with independent leagues, which are affiliated with its program. Therefore, it is the sole responsibility of the independent league to take action to adopt and implement sound risk management precautions.
3. Dizzy Dean Baseball, Inc. strongly recommends that all leagues adopt and implement a child abuse / molestation risk management program. Guidelines for establishing such a program are available on the Dizzy Dean Baseball website or a league may develop a similar comprehensive program.
4. Elements of a sound child abuse / molestation risk management program are as follows:
  - a) Screen all volunteers who have repeated access to youth by requiring completion of a volunteer application and by running a criminal background check. All criminal background checks indicating a conviction involving crimes against a minor must result in disqualification of the volunteer. In addition, other charges and convictions may be an indication of an unfit volunteer and may result in disqualification.
  - b) Distribute materials to educate administrators, volunteers, and parents on the warning signs of child abuse/molestation and how to respond to an allegation.
  - c) Appoint a conduct official to administer the program and to be the primary contact for allegations of child abuse/molestation.
  - d) Encourage the use of a "buddy system" where a non-related adult is never alone with a single child.
  - e) Encourage the use of take home/pickup policies to ensure that a single child is not being transported by a volunteer as a result of a parent failing to pick up a child in a timely fashion.
  - f) Prohibition of any overnight sleep over event at any official's house.
  - g) Limiting the distribution of directories/rosters with names, phone numbers, addresses, and pictures to persons on a "need to know" basis.

## **RULES AND PROCEDURES**

### **COMMUNICABLE DISEASE PROCEDURES**

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous membrane exposure when contact with blood or other body fluids is anticipated.
3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth guards and other articles containing body fluids.

*Additional information is available from your state high school association and from the National Federation.*

## **DISCLAIMER**

*Dizzy Dean Softball is not responsible for non – related activities at Dizzy Dean Tournaments. Furthermore, Dizzy Dean Softball expressly disclaims any and all liability for injuries sustained at hotels, dormitories, restaurants, swimming pools, water parks or other fun parks, beaches, lakes or other recreational activities engaged in by coaches, players, family members or competition resumes other spectators away and separate from the playing field of the Dizzy Dean Tournament.*

### **SAFETY EQUIPMENT**

*Any and all safety equipment specified by Federal, State, or Local legislation will be required.*

### **CONCUSSION RISK MANAGEMENT**

Dizzy Dean Baseball, Inc. strongly recommends that all teams/leagues adopt and implement a concussion risk management program that keys in on training and education for staff, parents, and players in the areas of understanding concussions and their impact on health; recognizing concussion signs and symptoms; removal from play; and return to play protocol. Such a program normally includes web video training for staff and the distribution of an information sheet each season to all staff, parents, and players. Guidelines for developing a plan are available on the Dizzy Dean website.

## DIZZY DEAN SOFTBALL

Dizzy Dean Softball is a division of Dizzy Dean Baseball, Inc. It has been organized as a youth softball program for all youth girls regardless of religion, race or color.

- Leagues have been established for players from five (5) through nineteen (19) years of age.
- The game is played on a softball field suitable for the physical development of growing youngsters.

The main purpose of this program is to expand Dizzy Dean Softball and to provide a recreation outlet for as many youth girls as possible with emphasis being on local league play rather than tournament play. However, District Tournaments, State Tournaments and Dizzy Dean World Series are for leagues wishing to participate.

- Leagues affiliating themselves with this program must be familiar with the basic set of rules outlined in this book.
- It is suggested that individual leagues follow these rules in local league play; however, they may be adapted to fit local league play at the option of each individual league.

Any deviation from these rules must be made by the National State Executive board and approved by the Commissioner of Dizzy Dean Softball.

## FINANCE

**Section 1.** A franchise fee shall be charged each team affiliating itself with the corporation. Division will be determined from time to time by the national board of directors to suit particular needs and circumstances.

**Section 2.** The franchise fee for Dizzy Dean Softball shall be \$15.00 per team for Farm, Minor, Freshman, Sophomore, Junior and Senior Leagues with \$3.00 being returned to the state. All franchise fees must be submitted to the National Treasurer no later than July 1 of the current year.

**Section 3.** All profits from the Dizzy Dean World Series after the expenses of the tournament have been paid will be retained by the host organization.

- If the EP is used, the EP must be used the entire game.
  - Failure to complete the game with eleven (11) batters as a result of an injured or ejected player will not result in a forfeit of the game. *See Common Rule 3:03*
- 3:06** The EP must remain in the same position in the batting order the entire game.
- 3:07** If an EP is used, all eleven (11) must bat and any ten (10) of those (11) may play defense.
- Defensive positions may be changed, but the batting order must remain the same.

3:08 Re-entry substitution applies to the EP the same as any other player.

4:00 MANAGER AND COACHES  
"SEE COMMON RULES"

5:00 REGULATION GAMES

5:01 In league play, it is a regulation game if it is called by the umpire due to darkness, rain or other cause which in the umpire's judgment interfered with further play, provided that:

- a) four (4) or more innings have been played, or
- b) three and one half (3 1/2) innings shall constitute a legal game if the home team is ahead at the end of the half (1/2) inning, or before the end of the fourth (4th) inning if the home team is ahead.
  - In the event of a partial inning beyond 4 innings, if the visiting team has not completed batting or the visiting team is ahead you would revert back to the last completed inning.
  - If one-half inning is completed and home team is ahead the game is ended at that point with home team winning.

5:03 A game shall be six (6) innings in duration.

- a) The game will be called after the opposing team has been numerically eliminated by the run rule.
- b) In case the score is tied at the end of the six (6) innings, the game shall go into extra innings until a winner is established or the game is called by the umpire.
  - A team may concede without penalty (League or Tournament play).

5:06 In the event that a game is halted before completion for any cause it must be resumed from the point of termination when the game is rescheduled by league officials with as nearly the same lineup as possible (League play only).

- *EXCEPTION: A game will be called when the opposing team has been numerically eliminated. This rule to apply in all local league play and all tournament play.*
- **WARNING: DO NOT VIOLATE ANY PITCHING RULES**

5:07 There will be a maximum of five (5) runs per inning in both local league and tournament play.

5:08 A time limit is acceptable in local league play only (*League rules must be stated*).

6:00 PITCHING RULES

6:21 In local league and tournament play, a pitcher cannot pitch in more than 3 games in a day.

9:00 SPECIAL RULES

9:18 A batter will not be called out on a fouled third strike if not caught.

9:22 Infield fly rule shall apply.

9:23 A base runner may steal more than one base at a time or may steal home at her own risk.

9:24 Any base runner leaving the base before the ball passes the batter is out (*Umpires decision*).

- The pitch shall be declared a no pitch.
- The ball is dead and no base runner shall advance.

9:25 Three strikes is an out even if the ball is dropped on the third strike.

- The batter cannot advance to first on a dropped third strike.

9:26 The Minor Division will play with ten (10) players on defense.

- **REMINDER:** There is a maximum of five (5) runs per inning in both local league and tournament play.

10:00 TEAMS

10:06 All players must be registered with the league president by April 15th.

A violation of this rule will make the player/players ineligible for tournament team/all-star selections and reason for protest in local league and tournament play.

**These rules must be followed  
in all District, State, and World  
Series.**

**Dizzy Dean parks may use these  
rules but are not required in  
Local Invitational Tournaments.**
